Description

Born as a cruising boat, the Oceanis 311 is equipped with a high-performance keel. Designed by the Finot studio, the 311 uses, like other hulls in the group, the powerful hull of the Figaro 1 "tamed" by a moderate sail plan and large interior volumes. The result is a boat that is easy to drive, stable, even if not particularly brilliant, but suitable for cruising. the Oceanis 311 was built by Bénéteau from 1998 to 2003.

The cockpit is well sized, with a large locker (2 cubic meters) on the starboard side.

Plenty of space for this category, even below deck, with two double cabins, a saloon with opposing sofas, a kitchenette and a bathroom that takes advantage of the height of the deckhouse to offer good comfort.

Boat in excellent condition, well maintained and with many recent works: shroud change 2021, sails 2023, as well as original sails in good condition, halyard and sheet change 2023-2024, Canopy and leazybag 2023.

Antifouling, and engine maintenance May 2024, tank cleaning with disassembly and total washing May 2024.

Navigation equipment:

2 Plotter with GPS antenna.

Staging and technical:

Engine Alarm, Water pressure pump, 2 Batteries (2023), Deck Shower, Manual
