Description

Oromarine S11 is an excellent boat, in the "boats" category due to a homologation length of less than 10 meters.

It is a complete boat, designed for lovers of adrenaline racing, making the most of the maximum applicable power that provides a bi-engine up to 350 horsepower outboard each.

It has a large steering console with a modern design that can be internally equipped with two benches, an electric marine toilet and a ladder that allows easy access.

It is equipped with a windshield that protects the driver from the wind. The seat can be raised to improve posture when riding standing.

Both sundecks can also be used when sailing without transforming anything.
