Description

More than 40 years ago, when Mario Amati founded Itama's shipyard (Amati vice versa), he set out to build boats with speed and style at the same time. And by style, he meant to be faithful to the classics. Itama 50 is a 52-foot open class boat that has a very spacious cockpit; on the lower deck there are two double cabins with private bathrooms and a well-equipped galley and a nice and comfortable dinette. A crew cabin with private head, on the stern, complete the interior layout. She is the perfect boat for short and fast cruises around the sardinian small islands of Costa Smeralda and, the captain is kind and professional. Call for more details.
