

SALE PRE OWNED

wally yachts 47' wally power

2 700 € All Tax Included

Description

The WP 47' features a large, yet sheltered, deck area including the navigation/steering console and social cockpit. The well-protected and shaded central living area is equipped with a bimini top, and a dining table with comfortable seating for six - eight guests. The forward and aft areas feature sun pads, while the retractable swimming ladder is hydraulically operated and concealed in the stern. The extensive and unobstructed deck is laid with non-slip teak for safety and comfort under foot. The accommodation is for two guests in one cabin and a second cabin for the captain; the large cabin with a full double bed to forward with a single cabin on the starboard side. The simple and stylish interior includes a fully equipped galley, and a bathroom with basin, head and shower. The design combines carbon fibre mixed with natural teak, and white painted cabinets and ceiling. The two diesel engines Volvo Penta IPS 600, 435 Hp each allow a cruising speed of more than 30 Knots with a low consumption. Call for more details. IMPORTANT REFIT 2022
