Description

The origins of the Rodman Group dates back to 1974, when D. Manuel Rodriguez, current president of the Group, founded Rodman Naval Construction and Industrial, starting its activity in shipbuilding. Currently the Rodman Group is the oldest company in its sector in Spain with a wealth of uninterrupted for more than 46 years. During these years, have built and delivered, in the shipyards of the Group, more than 15.000 boats. This background and experience have enabled the Group to position itself as one of the most established shipbuilding groups at European level. Belise is a wonderful leisure boat, she is designed for the senses, to enjoy the highest demands at sea and unique experiences. A robust, reliable and comfortable vessel, with excellent seagoing properties, thanks to the nautical design of its hull and its structural solidity. One of the best options on the market for those looking for a luxury yacht that meets the most exacting conditions of both comfort and distinction, and that offers a superb sailing performance even in the most adverse conditions.
