tiara yachts 34 lx

Description

The 34 LX is the first Luxury Crossover model from the Tiara Sport brand. The 34 LX provides comfortable bow rider seating accessed via a centerline pass thru as well as transformational aft seating that offers the ability to enlarge or reduce the cockpit size based on guest's needs aboard. The 34 LX was introduced to an enthusiastic crowd at the 2018 Fort Lauderdale International Boat Show. Tiara Sport Dealer and Media Partners as well as guests of the show were able to board the 34 LX for a closer look. "We saw a great turnout at the 2018 Lauderdale Show; not only did we launch the 34 LX, but we also displayed our 34 and 38 LS models – the entire Tiara Sport line was present. The 34 LX complements our Tiara Sport LS products and further enhances the Sport product lineup. We're building our presence in the outboard powered market and will continue to do so with additional new model launches for our Sport brand." Dave O'Connell, VP of Sales, Tiara Yachts and Tiara Sport. Call for more details.
