apex yachts Apex 60

1 500 000 € All Tax Included

Description

Designed to offer the perfect combination of performance, stability, comfort and elegance, the APEX 60 is the embodiment of the shipyard's philosophy. The sleek, aggressive sporty exterior lines convey a sober aesthetic, while the fiberglass and composite hull and the reduced noise and vibration of Volvo Penta IPS engines provide the smoothest ride. The traditional teak coating accentuates the ultra-modern design of the furniture and accessories that follow the principles of form and function. The stern offers unobstructed access to the boat and a large sundeck that covers the storage compartments containing all the necessary switches, sockets and docking station. A flexible dining and sitting area includes a height-adjustable table and beautifully upholstered sofas with integrated storage. The multifunctional kitchenette can also be covered to provide extra seating for guests or a rest for the captain while piloting the boat. A comfortable walkaround with integrated carbon railings, offers safe movement at all times and easy access to the bow of the boat and its huge sunbathing area to relax all day and enjoy the thrill of riding the waves.

Navigation equipment:

Rudder angle indicator, Electronic engine control, On-Board Computer (Volvo), Depth Sounder (Garmin), GPS (Garmin), Joystick, 2 Chartplotter (Garmin), VHF Radio (Garmin).

Staging and technical:
