

SALE NEW

saxdor 400 gtc

Description

Saxdor 400 GTC, the latest addition to our flagship series, is engineered for twin outboard rigs with our unique naval architecture, guaranteeing an unforgettable journey every time. Featuring an innovative main deck design, the GTC, like its sibling, the GTO, maximizes its internal living space with a wheelhouse that extends to the full beam of the boat. Yet, the GTC takes luxury a step further with its vast, insulated glazing, creating a luminous, cozy interior that defies the elements. This layout connects directly to the side terraces, adding practicality and crafting a serene, private island experience while at rest. Below deck, two staircases lead to the double cabins – forward and amidships – sharing a bathroom, with an optional third berth for kids. Every inch is impeccably designed, balancing practicality with a sense of style that impresses at every glance. Call for more details.

Navigation equipment:

Electronic engine control, On-Board Computer, Display (Simrad 9" x onboard systems), Depth Sounder (Simrad P79), GPS (Simrad), Chartplotter (Simrad 16" NSO16), Co-pilot seat.
