

SALE NEW

saxdor 320 gtc

Description

The Saxdor 320 GTC is with the same refined, economic and performance-oriented hull design as 320 GTO. A low center of gravity, low weight, sharp entry, twin stepped and vacuum-infused hull creates a unique driving experience in all kinds of seas and weathers across the world. The Saxdor 320 GTC comes with three Mercury engine options, in the range of 300 hp to 600 hp. You can either choose the one-engine option, or you can choose the twin-engine option 2 x 225 hp or 2 x 300 hp – the Grand Tourismos of the seas. Saxdor 320 GTC changes the game of movement on board. With its unique concept of a full beam spacious wheelhouse with easy access to the walk-around bow, movement onboard has never been this easy. Saxdor believes in the luxury of unused space.

Navigation equipment:

Electronic engine control, On-Board Computer (Mercury).

Staging and technical:

2 Engine Alarm, Bilge Alarm, 4 Batteries, Electric Flaps, Hard top, Courtesy Lights, Platform (con terrazze apribili), Manual Bilge Pump, Entry door, Horn.
