515 000 € All Tax Included

## Description

MAX is an amazing Intrepid 475 SY in Central Agency at Given For Yachting. Designed to maximize rigidity, stability and handling, the 475 travels on the latest refinement of our signature transverse stepped hull – the most advanced in the industry. Light-weight structural laminates enhance fuel-efficiency. The hand-laid engineered composite is a vacuum-bagged, resin infused combination of PVC core, precisely-oriented unidirectional fibers, knitted fabrics and Kevlar®. The result is a hull that is uniquely light yet stiff, strong and safe. Our obsessive commitments to quality, safety and customer support deliver the best boat owning experience on the water. Designed and built to provide maximum peace of mind, Intrepid goes well beyond industry standards in everything from hull strength to thoughtful, child and family friendly features like spacious heads, sit-back-and-relax seating and strategically-placed grab rails to ensure the absolute comfort and security of you and your family. Price ex commission fees.
