Description

Opportunity not to be missed, boat. With a length of 11.65 metres and a maximum beam of 3.90 metres, the new 360 Goldstar Sport offers a roominess considerably higher than that of its competitors and even without terms of comparison with other vessels. The Goldstar 360 Classic is characterized by a planing hull already at 11 knots, but always gentle on the water at every gait, as well as a large cockpit with integrated bacon. The cockpit is very sheltered by the superstructure that is positioned aft and by the high bulwarks, a very comfortable configuration for displacement navigation. The interiors of the Goldstar 360 Classic are very well designed and include two cabins, with a bow owner's cabin, convertible C-shaped cockpits. The Goldstar 360 is an ideal boat for those who, while appreciating the "Old Maine" style, want a fast and responsive hull at the helm.

Navigation equipment:

On-Board Computer (Tridata), GPS (Raymarine), Autopilot (Raymarine).

Staging and technical:

2 Engine Alarm, 2 Bilge Alarm, Electric Flaps, Washbasin in the cockpit, Courtesy Lights, Platform, Entry door, Teak Cockpit, Shorepower connector, Electric Windlass, swimming ladder, cockpit table (pieghevole), Living Room Foldable Table, Tender (2,35 m fb Suzuki 2.5cv), Horn.
