Description

The newborn in the range of Cranchi Yachts is a Luxury Tender of 46 feet, with distinctive features that make it ideal as a dayboat or express cruiser. Looking at it, you immediately feel a sense of originality, you can feel the strength and beauty of an idea.

The designer Christian Grande wanted to emphasize the horizontal lines: the belt traces a very taut line and without being interrupted by any other element or vertical sign. The accent marked by the belt is taken up by the lines of the glass body that characterizes the hull. A cut, essential, precise but not aggressive.

The entire perimeter of the yacht can be traversed safely on walkable gunwales, without ever encountering obstacles. So it is extremely comfortable to move from the middle of the boat, where there are the steering console, the bar and the table, towards the bow and the stern where there are more seats and comfortable spaces: it creates three centres of gravity well-spaced to each other and at the same time they are perfectly connected to offer the owner a safe place, dedicated to pleasure, relax and conviviality.
