Description

Experienced boaters and boating professionals know that Cabo built great fishing boats. The 32 Express, the smallest model in the Cabo fleet, is a fast Fishing Machine with the premium features found in Cabo's larger boats. There's a lot to admire in the 32: it's one of the most beautiful express boats of its size, and Cabo's obsessive attention to detail is on display in every corner. But it's the super-wide 13.3" beam that sets the Cabo 32 apart from the competition. In fact, it has a larger cockpit, a wider deck and a more spacious interior than any other boat in its class. The cockpit is equipped as standard with a bait preparation center, a 45-gallon live tank, coaming pads and a large capacity fish box. The entire sole of the control bridge lifts onto hydraulic jacks for access to the engine. Below deck, the Cabo's surprisingly spacious high-end interior features a double berth forward, a convertible dinette and a full four-person service. FOR TUNA is in immaculate condition, ready to go.
