bertram yacht 37' convertible

Description

With the 37 Convertible, Bertram Yacht entered the New Age of high speeds and modern materials and, we have to say, the result was superb. Victoria was built for Italy, with original 220V electrical system and has always been loved by the first owner. The second one did in the last two years a great work, installing new Volvo 500 Hp engines, refitting the systems on board. Victoria, is now in "as new" condition and ready to go. Don't miss the opportunity to visit her in Tuscany; you will remain astonished. Price ex commissions fees.
