bertram yacht 28' fbc

90 000 € All Tax Included

Description

With over 2,800 boats built, the 28 Flybridge Cruiser remains the best-selling Bertram ever. Designed along the lines of the classic Bertram 31, the 28 has quickly established itself among serious anglers as a robust and durable deep-sea angler with comfortable cabin accommodation. The boat rests on a solid deep V-shaped fiberglass hull and its 11-foot beam is wide for a 28-footer. Below deck, the cabin layout includes sleeping accommodations for four people with a convertible dinette, a galley and a bathroom. In 1982, the 28 II came out with a slightly elongated cabin bulkhead, in 1994 the fuel was increased to 240 gallons, and with the 28 III model (1990-94) the cabin was slightly revised and the flybridge bench was replaced by a pedestal helmsman's seat. Superior workmanship and constant refinements have kept the Bertram 28 at the forefront of small fishing boat design during its lengthy production. This boat has been totally refitted and is approved for navigation up to 12 miles. Call for more details.
