tiara yachts 56ls

Description

The legacy of the Luxury Sport series expands with the 56 LS, the largest and most ambitious outboard engine boat in Tiara Yachts' history. Outdoor enjoyment is maximized by multiple social zones, a well-appointed galley, and two twin terraces that expand the cockpit and provide unobstructed access to the water. Several aft cockpit module options, focused on entertainment and fishing, allow boats to be customized to each owner's preferences. With the ability to walk all the way around and the pilot house doors to port and starboard of the helm, you can enjoy unobstructed access to the spacious bow with lounge area. Below deck, two spacious cabins and two en-suite bathrooms offer luxurious accommodation for four people. With the unwavering strength of a Mercury® V12 engine, the 56 LS is powered by four 600 hp Verado® engines, providing a refined experience for the captain and guests thanks to soundproofing technology and revolutionary advancements in handling and control. The integrated electronics package includes instinctive Garmin® Marine navigation systems that provide the latest piloting technology. Contact us for more details.
